Imarex and NOS (The Norwegian Futures and Options Clearing House) are pleased to announce the completion of the membership process for four new members to trade freight derivatives in the tanker and drybulk markets.

We are pleased to welcome the following companies as new members:

- Concord Energy Pte Ltd
- Essar International Limited
- Motia Compagnia Di Navigazione Spa
- Taurus Petroleum Limited

"Among these four are our first active Italian member to trade in cleared freight futures, which is a significant development for Imarex. These four are all important new members to Imarex, and we are very pleased to welcome them onboard," says Imarex Marketing Director, Knut Moystad.
