INVITATION TO PRESENTATION OF Q4-05 RESULTS 14. FEB 2006
AdminUser-response@imarex.com

International Maritime Exchange ASA (IMAREX) welcomes investors, analysts and the media to a presentation of the company's financial result for the fourth quarter of 2006.

IMAREX is the only regulated global market place for maritime futures and options, and world's the leading provider of derivative transaction services to the shipping industry.

Presentation highlights:

- Financial statements for Q4-2005.
- How Imarex is building a solid lead in maritime derivatives
- How Imarex is setting new trading records in all segments, incl. record customer growth
- How Imarex is fending off competition
- How Imarex leads the innovation race - Growing existing markets and building new ones
- How Imarex will develop in 2006 - strategic vision and execution

After the presentation, Imarex Directors will be available to answer questions related to the company, its strategies and recent financial results.

- Date: 14 February 2006
- Time: 08:30
- Location: "Lillesal" - Høyres Hus, 6 etg.
- Address: Stortingsgata 20, 0117 Oslo
- Light breakfast and refreshments will be served.

Please tell us if you plan to attend by e-mail: response@imarex.com or contact Mikal Bøe, Director of Information Services on +47 2389 4227

PLEASE NOTE:

Imarex will make available exclusive research material on the size and nature of the financial freight market to all those attending.
