The rapid growth in trading and clearing of bunker fuel oil contracts at imarex during February continued strong growth with a 30% increase on January to 432,000 tonnes.

Bunker fuel oil derivatives were listed for trading on Imarex in December 2005 and the total number of fuel oil derivative transactions was 70, up 62% on January.

All Imarex members can now trade bunker fuel oil derivatives on screen or via one of our four Imarex fuel oil brokers:

- Gunnar Lindqvist - gl@imarex.com (tel: +47 2389 4234)
- Bjørn Strømsnes bs@imarex.com (tel: +47 2389 4235)
- Christian Foss Knudsen - cfk@imarex.com (tel: +47 2389 4238)
- Renee Toh - rt@imarex.com (tel: +65 6826 0061)

Existing member traders can trade bunkers on screen immediately - if in doubt, call a member of our bunker team today.

To authorise new traders, please complete the "trader authorisation form" attached below, and return it to us today. We will then open screen accounts for new traders and assign an Imarex fuel oil broker to you traders.
