International Maritime Exchange ASA (IMAREX) welcomes investors, analysts and the media to a presentation of the company's financial result for the first quarter of 2006.

IMAREX is the only regulated global market place for maritime futures and options, and world's the leading provider of derivative transaction services to the shipping industry.

Presentation highlights:

- Financial statements for Q1-2006.
- Building an international commodity trading and clearing operation
- Strategic and operational benefits in merging with NOS ASA
- The road to making IMAREX as a multi-commodity exchange
- Growing by strategic acquisitions and launching new market for customers.
- Fending off competition from the world's largest clearers and exchanges

After the presentation, Imarex Directors will be available to answer questions related to the company, its strategies and recent financial results.

- Date: 24 May 2006
- Time: 08:30
- Location: 'Lillesal' - Høyres Hus, 6 etg.
- Address: Stortingsgata 20, 0117 Oslo
- Light breakfast and refreshments will be served.
